

Service, Solutions and Integrity Building the future together!

## Big summer, big year!

Summer is all about kicking back and relaxing before the rush of autumn. But, while you're sitting on the beach with a martini, or grilling in the back yard, take a moment to reflect on how you're going to make the second half of the year big, for you and your clients. We've got the answer.

Elite Marketing Group is excited to announce the expansion of our Premium Finance team!

Deven Hennessey, Director of Premium Finance, welcomes Clay Lund and Paul Davis to continue the growth and expansion of our finance division, taking advantage of over 40 years of experience in the market place.

Our Premium Finance division doesn't just give you a quote and wish you good luck. From case design to point of sale, underwriting and case management, to annual client reviews, we provide all facets of service to our advisors and their clients. This dramatically sets us apart from the rest of the industry.

Any business owner, doctor, dentist, lawyer, or highly compensated VP is a candidate. They can't fully utilize traditional methods of retirement savings due to income levels, but they need our help just the same. Give us a ring and we'll share how we help our clients accomplish their goals.

When you have a chance, please congratulate Clay and Paul for their new roles on our Premium Finance team!
